"INTRODUCTION"

In the name of Almighty Allah, the Beneficent, the Most Merciful Savior Who came in the Person of Master Fard Muhammad, to Whom Praises are due forever. I will die giving thanks to Allah for raising up the Most Honorable Elijah Muhammad in our (the lost-found Asiatic Black Nation here in the wilderness of North America) midst.

To Allah and His last Divine Messenger do I submit myself unto. As Salaam Alaikum my dear Black brothers and sisters.

The most Honorable Elijah Muhammad: this is a divine Black man who has paved the way for the so-called Negroes of America and for the entire Black Nation of People in today's world. In a world where we have gained more than just rank and recognition in the work place, but respect as well.

The most Honorable Elijah Muhammad not only taught us so-called Negroes of America the necessary morals, value's, and virtues that we needed in order for our Nation of People to succeed as a collective whole in white society, but also how to overcome our oppressors as well. He taught us that the way to overcome our ex-slave master and their children is not by means of violence, but by using weapons that cause more severe damage, which is knowledge of self, knowledge of our Creator, Allah, and the true knowledge of the devil, the White race of people. Having dreams, premonitions, and visions, the most Honorable Elijah Muhammad risked his life and freedom to get Allah's Message across to those of us so-called American Negroes who had an ear to hear the Truth about our own Nation of People.

We so-called Negroes must stop and take a serious look into our very own Black community to see what's going on inside of them and what they contain in them as well. We

must come together in unity in order to rid our Black communities of the fatal diseases that are plaguing them, because it is our obligation to help self and one another or continue on becoming a Nation of People that is growing at an alarming rate of being an Endangered Species, being that we are already living within a system that is and always have been sincerely trying to annihilate us all totally off of that which belong to the Black Nation of People, the Planet Earth. We, the so-called Negroes of America have totally renounced our own culture and have adopted to the Western culture of the slave masters which has only caused us pain, suffering, disunity, and grief. And, by doing so, we so-called Negroes of America have neglected the roads that were paved for us by the Most Honorable Elijah Muhammad. The roads that would free us from the bondage of the slavery type of mentality that we were induced into by our open enemy the Devilish White race.

This book has been written to annihilate all of the misconceptions that White America has implanted within the very minds of us American so-called Negroes, to only keep us in a dysfunctional and dis-unified manner against those of us Black brothers and sisters who have been and/or still are incarcerated within the Belly of the Beast. It has also been compiled to help bring back and restore that which need so dearly to be brought back into its original state and restored back into its original self, "the minds of the incarcerated Black men and women," that are being housed in all of these jails, prisons, and prison camps across America. It has also been written with the hopes and intentions of restoring our beloved families and those of us that are still incarcerated, back together again after false conceptions and fear has been planted within their minds about those of us who have failed to obey the "laws of the land," which have been written and

enforced by the enemy of us all, the "Devil White race of people."

I pray that Almighty Allah will grant me my wishes that this book will not only help raise up the deaf, dumb, and blind brothers and sisters who are still "sleeping" inside of this beast called "prisons," but that it will also bring upon a sincere change for the better for those of our own Black Nation who are also incarcerated in society to the false ideas and concepts of how they've been misled to believe about those of us who have been totally forgotten about.

There has been much time, pain, and thought put into this book for the sole purpose of helping my nation of people unite once again regardless of the places where we may dwell or even the time of day or year that it may be and no matter how bad the circumstances may be between ourselves and our families as well. I sincerely pray that every Black man and woman that is incarcerated or have been, receive a copy of this book (as well as those of our Black Nation that are not incarcerated), being that I desire not to hurt or harm in any form or manner (as Allah is my witness) my people by me reaching out to touch their confused Black minds by offering them the teachings of the most Honorable Elijah Muhammad, because I only desire to awaken them and bring them back home into the light where they originally came from and belong.

I would like to thank Almighty Allah, who came in the person of Master Fard Muhammad, to Whom all praises are due unto, for the most Honorable Elijah Muhammad (His last Divine Messenger) for opening my eyes to his mission and for allowing me to take part in accomplishing the mission of writing this book. I would like to also thank Allah for my beloved mother and father for allowing them to bring me into this world to help liberate my people from all of the mental

enslavement that have been implied upon our very minds. My wife, sister Carolyn X (Baker) for standing by my side and for giving me the necessary encouragement that I needed to continue on and for just being that beautiful woman that Allah wanted for her to always be. Minister, Mr. Basir Muhammad, who has held fast to the true teachings of the Messenger of Allah (Honorable Elijah Muhammad) and for giving me my X, as well as for being a positive role model for me in life. Mr. Melvin McKinny (A.K.A. Yah-kini) for sharing the knowledge that Allah has given him and for inspiring me to learn of the true knowledge that Allah has given him and for inspiring me to learn of the true knowledge of self. Mr. Kevin Powell for giving me the motivation and desire to help myself and our people. Sister Adrian X. Cole, for helping proofread and type my original manuscript. And, to all of the black men and women whom have helped me along the way to make this book transform from a thought into reality.

May Allah and His Last Messenger (the Honorable Elijah Muhammad) be pleased with us all and our works, and may we all remain devoted unto them both.

Wa Alaikum Salaam
Your Sincere Brother of
The Lost-Found Nation of Islam,
Brother Kevin X (Baker)

DEDICATION

This book has been dedicated to a number of people. First, to all of my fellow Black brothers and sisters that are presently incarcerated (those of us that have awaken unto the truth, as well as those that are still sound asleep) within these Concentration camps that white America calls "the Solution,' but in all due reality they are only "the Problem."

Secondly, it has been dedicated to all of the dead Black men and women that have died senseless deaths by imitating the sinful and evil ways of those who brought us here to America, the "White race."

Last, but not least, this book is dedicated to the remembrance of Allah's Messenger the Most Honorable Elijah Muhammad.

Please, for those of us that are still incarcerated, NEVER give up the struggle for righteousness! And may the peace and blessings of our Divine Creator, Allah, be upon us all.

Some proceeds from this book will go to the Nation of Islam, and some to the Nation of Islam Prison Groups.

The Truth As Taught

By A Black Woman

In the name of Almighty Allah, the Beneficent, the most Merciful Savior Who came in the Person of Master Fard Muhammad, the Whom praises are due forever. I will die giving to Allah for raising up the most Honorable Elijah Muhammad in our (the lost-found Asiatic Black Nation here in the wilderness of North America) midst. To Allah and His last Divine Messenger do I submit myself unto. As Salaam Alaikum my dear Black brothers and sisters.

Dear Sisters, my husband has given me this opportunity to open my heart and soul to you in his book, so I shall not waste this valuable time. I am coming to you straight from my heart and I pray that you would open your heart and mind and accept the truth of my words and from this book that Allah (God) and the Honorable Elijah Muhammad has allowed us to write to our Black sisters that are presently incarcerated in Americas prisons, or are incarcerated in White society (mentally).

We are all sisters in Islam, which allows my love for myself to be also the same love that I hold for all of my black sisters, from all corners of our beautiful Black nation. We all have been taught to be other than ourselves, and being other than ourselves has left us disunited. We should want for all of our Black sisters everything we want for ourselves, for I want for all of you peace, love for self, happiness, self respect and so much more of Allah's (God) treasures of our world.

I will not go into long details about my past life because deep down inside, I know we have all been in closely related circumstances (like twins that were separated at birth but later in life discovered that they went through the same walks of life at the same time). We have all made mistakes in our life, and we all have acted other than our original self, but the time for self love, and self respect and black unity must come

amongst us, being that we are Black Queens of this universe, and being that Allah (God) has sent us the most Honorable Elijah Muhammad to teach us that no nation can rise higher than its women.

White society has led us to believe that our Black brothers are a menace to society and that they (White society) will take care of us if we allow our black brothers to desert their responsibilities and obligations to us. White society gives the Black women welfare, lease housing, Medicaid for birth control methods, Rental Inc., WIC programs, and of course the white man with money and clout, and all of this makes us believe that we don't need our Black Kings. They have taken away from us through their justice systems and through their religion (Christianity) our black men, stripping our Black men of the self love and the self respect of themselves, and for their Black queen. We have been led to believe that a brother who is locked up inside the Belly of the Beast is no longer worthy of a strong Black sister, but I am here to tell you a Black man who is in prison is worthy of our love and respect. He can find knowledge of himself inside prison and can help you to find yourself (emotionally and spiritually) because being incarcerated is a condition; it doesn't have to be a way of life for a unified family to survive. I cannot give you the key to open the door to any jail cell, but I can help you to find the key that is needed by every Black man and woman in America who wants to find knowledge of themselves, and the key that belongs to us was given by Almighty God, Allah, to the Honorable Elijah Muhammad, who gave us the words of Allah and put them here in seven books for the lost Black men and women.

We have been led astray for so long sisters. Lets start seeking the truth. I am coming to you with the truth, because I too was in the darkness of self, and I can bear witness to the love that Allah (God) wants to give unto you if only you seek His light through Islam, and submit one hundred percent to what the Honorable Elijah Muhammad has taught to

the Lost-Found Nation of People, here in the Hells of North America.

I am ending here sisters, but through Islam we will meet again soon and I will continue to pray to Almighty God, Allah, for all of my Black sisters to become unified and to strive for success.

Enjoy the book and learn and teach our children about love for self, and the true history of just who the Black man and woman really are.

Love and Peace

Your Sister in Islam,
Sister Carolyn X

PS. Go visit or write that Black king that needs your love and strength to survive in the Belly of the Beast. Go today and help a lost brother find the God of the Righteous Black Nation, Allah, to Whom All Praises Are Due unto.

"From The Mouth of A Minister"

In the name of Allah, Who came in the person of Master Fard Muhammad, to Whom all Praises are due. We the Black people of the Americas can never give enough thanks and praises to Allah, for raising up from among us our Divine leader and Teacher, His last and greatest Messenger, the Most Honorable Elijah Muhammad. To Allah and His last Messenger do I submit.

I greet my beloved brothers and sisters with the greeting of paradise of As Salaam Alaikum. (A little about my background). I, Minister Basir Muhammad, former assistant Minister to the Honorable Elijah Muhammad, and Western Regional National Representative of The Nation of Islam. I also lived with the Honorable Elijah Muhammad for a period of three and a half years and was taught night and day by Him. I am, and have never stopped representing the true Teachings of the Honorable Elijah Muhammad throughout America, and never will stop as long as there is a breath in me.

I was asked by Brother Kevin X to write a brief introduction for his book and send a short message to our Black brothers and sisters who are incarcerated throughout the country. Those who are in physical jails as well as mental jails. The Honorable Elijah Muhammad has taught us that before we do anything, we must get a thorough knowledge of self. Secondly, the only thing that will save us is complete unity under the banner of Islam, following the TRUE TEACHINGS of the Honorable Elijah Muhammad, as given to Him by Almighty God, Allah.

I was the first teacher of the Honorable Elijah Muhammad to be sent into prison institutions to set up Temples and train brothers to become assistant ministers there. I know the great problems that exist there, that you are up against. There are those who say they are Muslims, but are not following God's Last Messenger, the Honorable Elijah Muhammad. Some are Orthodox Muslims (Sunni, etc.). Some are Moorish Muslims, some are Five Percenters, but none of these have the keys to the Black peoples salvation unless they agree to teach the true teachings of the Honorable Elijah

Muhammad, who first started the Black people of the Americas thinking in the way of Allah, self, and the Devil. They are all going in every direction except the right direction. The slave master loves to see, and will support, those who are in disunity.

I say to you, my Black brothers and sisters, get the book, "Message to the Blackman," and the other six books written by the Honorable Elijah Muhammad, and the issues of Muhammad Speaks Newspaper, published by the true believers which is printed in San Antonio, Texas, of which I myself am the publisher and editor-in-chief of. You will find salvation in the Messengers books and knowledge, wisdom, and understanding, your salvation and deliverance there, even out of prison, as it is said in the Bible that the gates (prisons) will be open to those who believe. This is our day to march out of this modern Babylon (America). The end of this world is now and it is time that you separate yourselves from the devils and those who are disbelievers in the teachings of the Honorable Elijah Muhammad and Allah in the Person of Master Fard Muhammad.

Every inmate incarcerated, that is Black, should be united with the TRUE BELIEVERS in the teachings of the Honorable Elijah Muhammad, the benefits alone are enough to unite you. Think of the changes that would be made if every Black person incarcerated would unite. Unity is the key .....United we stand, divided we fall. We've been down too long, let's stand up in unity and be men and women instead of boys and girls. Stand up Black man and woman. What have you to lose?

Minister Basir Muhammad
As Salaam Alaikum.
I am your Brother in Islam

Mr Basir Muhammad

ONE AMONGST MANY....

We are living in a world
which have been claimed by others,
We are living in a world
which claims that we have no say so
because of us being their father
and not their brothers.
We are a Nation which is
One Amongst many,

We are a dying race in need of plenty
Plenty of knowledge about self and
whom we really are, but by us being stripped
of our history, culture, God, and Heritage,
that seems to be very far.
To grasp on to, to hold, and
to cherish for always and forever more,
because it is the lack of knowledge
which is destroying us
that when we are asked, "Whom we are," by others
we cannot go beyond, but start at the sea shores
We must wake up and realize
that everything will not be given to us
and that we must seek it,
be in search of,
because it is us which was, "Created," by Allah,
by His Divine Wisdom, His Power,
and by grains of dust.

My people must take that veil from over their eyes
and come up from out of the darkness
so that they can clearly see what's going on,
then take it from there, The Truth
and accept it, instead of neglecting it
or just leaving it alone.
So recognize my people,
that we live in a world with plenty,
but realize that we so-called Negroes
are looked upon as being one amongst many.

DIVINE MESSAGE

Awaken my people, the so-called Negroes
for **YOUR DAY** has come, though you don't know it.
Allah (God) has told me that you are the wisest, most beautiful and strongest people on the face of the earth, the original people and Masters of our Planet.
Join on to your own (Nation of Islam) today, or you will be destroyed by Him, Allah has declared. And surely He is the All-Powerful, mighty God of Righteousness!
Beware of the devil, and give up your slave names and Your Slave master's religion (Christianity) which has made you completely deaf, dumb, and blind and which will keep you in a mentally dead condition and utter misery forever. Arise! for the hour of Your **TRIUMPH** and **SALVATION** is here, **NOW!**
Turn to Allah, your God and mine, beg forgiveness of Him, and accept His True Religion Islam, The religion of Freedom Justice and Equality.

Elijah Muhammad

Chapter One

"Imitating The Ways of Old..."

For over 400 years, the so-called Negroes of America have been taught everything other than their own original language, nationality, culture, God, and religion by those whom forced us into enslavement. For over 400 years now there have been an ongoing conspiracy to annihilate the so-called Negroes of America off of the planet earth before we awaken to the truth of those whom have kept us in the darkness by teaching us everything other than that which is right. Just as a child imitates that which he or she has heard or seen from their parents, the same cycle or pattern of that child has now been adopted into the very minds and lifestyles of the so-called Negroes being that we have been imitating for over 400 years now, the sinful and evil ways of Our slave masters and their children. This reason alone (following the ways of others) is probably the most essential motive and problem to why we are or have been locked away in these concentration camps called prisons here in America.

We, the so-called Negroes of America, have picked up on much of the words that we have heard come out of the very mouths of our open avowed enemies (the Devil white Race) such as the calling of names in which they used to and still do call us by, such as, "Niggas", Fools, and Dogs. The calling of our own precious women (Whom birthed us into this world) with names like Tramp, Slut, Freak, as well as B's and H's. For we are only fulfilling their plot by us continuing to call one another by these degrading names, and by us continuing to imitate that which we have heard from our once upon a time slave master.

We have also picked up on and imitated (very well so if I may add) that which we have seen done unto ourselves by our open enemy (the White Race of Devils) such as the senseless killings of one another over foolishness like, "These

streets in this part of the hood belongs to us," when in all due reality they belong to the very same people whom you are imitating ever so well. The beating and raping of our very own women, which is not in our nature to do, and the killing of our own children. And for those very few reasons alone, our Black brothers and sisters are being led off in alarming numbers into prisons all over the world, especially here in this wilderness called America.

Ever since the so-called Negroes here in America have been granted their physical freedom by Abraham Lincoln in 1865, we have still (up until this very day, even though we have been granted our physical freedom) been imitating the ways of old passed on to us by those who want us to stay asleep to the reality of what is really going on (the Devilish White Race). If we would just observe (those of us that are incarcerated and those in Society as well) some of the things in which a lot of us brothers and sisters participated in, we would begin to see a lot of similarities of the ways of old which we have imitated(which may have landed us in prison) that we've picked up on from the white race of people, such as gangs.

These same gangs that we have participated in, as well as the rest of our young Black brothers and sisters who are still imitating the ways of the enemy, are patterned after the same gangs of old (which still exist and go by the name of the KKK - Ku Klux Klan). Both the KKK and today's Black youth gangs that are plaguing our communities are designed and aimed with only one purpose; "To kill and destroy" the Black males, whom are becoming endangered species, and our nation of people as well. It is not in our nature to kill and destroy ourselves, but being that we are sound asleep to reality, we are liable to do anything until we awaken or until our God (Allah) Himself sends us one of our very own (which He has done in the personage of the Most Honorable Elijah Muhammad) to arouse us from this deep sleep that we have been in for over the last 400 years now.

Another habit that we've picked up on from our enemy (the White race) which has become very common amongst and against ourselves, is "robbery." It is the same people that we're imitating and following that have robbed us of the true knowledge of ourselves, of our God (Allah), of our original religion (Islam), and to a certain degree, out of our minds. They have been robbing us of everything we've worked and struggled for all the days of our lives. And to this very day, our very own Black brothers and sisters (young and old) have picked up on this evil trade of the Devil white race and have begun to rob their very own people and families out of everything they have worked and struggled to keep the White man from robbing them of. And by doing this, we are only robbing ourselves and our very own nation of people the mere opportunity to unite.

We have sold and are still selling poison to our own nation of people (which just may be another cause of why some of us are incarcerated), such as crack cocaine, Heroin, and Marijuana, which is all a part of the plot (or conspiracy) to totally rid the Black nation "completely" off of the Planet Earth, which is designed by their (the so-called Negroes of America) and Gods open enemy, the Devil White Race.

For our enemy (the Devil) told God in the Holy Qur'an (7:17) that, "He (the Devil) shall come upon them (the so-called Negroes of America) from before them and from behind them and from their right hands and from their left hands." This means that he (the Devil) will try to destroy the Black nation of people by trying to deceive us using any angle or aspect that he can to entice us into following him and his evil ways. In the above verse (Holy Qur'an 7:16) the Devil tells God that he (the White Race), "Shall lurk in ambush for them (the so-called Negroes) on thy right path." This is clear proof to anyone who has a brain to clearly see that before we so-called Negroes came into contact with these nation of devils, we were already on the right path, but it was when we came into contact with these devils that we began following them, and a lot of our

Black brothers and sisters still to this very day and time follow these devils off unto their promised doom - HELL!

We, the Black men and women that are incarcerated or have been incarcerated within the Belly of the Beast (Prison) are in serious need of a sincere change. We need to stop imitating and following the ways of old that was passed on and taught to us by our open enemies (the White race) for over 400 years now. This has only landed us where we are or have been in the past - "Inside the Belly of the Beast; Prison." We have nothing but time on our hands and side to help assist us into bringing about this needed change for the betterment of ourselves and for our own Nation of People as well.

If we become properly taught by one of our own (Whom it is prophesied in your very own Bible of His coming the Most Honorable Elijah Muhammad) the thorough knowledge of just who we really are, the knowledge of our original God, and His chosen religion, we would not hesitate to shun the evil ways of those whom stripped us, by force, of that knowledge of self, God, and His chosen religion.

It does not take a Rocket Scientist to see or figure out that we (those of us who are incarcerated) need to stop following these evil and sinful ways of old that we picked up on from the devils in person (White Race).

My dear Black brothers and sisters whom are still inside of this beast. White America has been very busy (in case you didn't know) building new prisons today by the hundreds, believing that those of us that are still inside of this beast, those that are of our Nation of People that are still following their (Devil) ways of old, and those that are still sound asleep to reality in society will be the ones to fill up and occupy these newly built prisons.

For it is left entirely up to you and me to stop imitating their (White race) evil ways which has only gotten us 10 years to life, and wake up from this state of sleepiness that we have been induced into or we will continue to be looked upon as just being another - "### Number."

And remember,
"Nothing comes to a sleeper.....
but a dream!

Chapter 2

Part 1. Who and What Will Save the Incarcerated Black Man and Woman

Ever since the so-called Negroes were brought here to America in 1555 by a slave trader by the name of John Hawkins, the so-called Negroes have been robbed of the very things in which we needed for our Nation of people to survive which was the essential knowledge of self, of our Original God, Allah, His Last Messenger, The Most Honorable Elijah Muhammad, and the religion of Islam (Allah's chosen way of life for every black man and woman). As I've mentioned in the previous chapter, there is a serious need for a change, not only for us Black brothers and sisters who are doing time on the inside of the Beast (Prison), but also for those of our very own people in society that are incarcerated to the false views and perceptions about us Black men and women that are doing time on the inside. The only difference between us and them is that we are inside of the Beast, and they are on the outside of this so-called Beast, but in all due reality we both are incarcerated.

This change need to not only help awaken our lost minds and souls to the reality of who the Black man and woman really are, as well as our contributions to civilization, but it also needs to be a change that will help us to re-educate ourselves back into the truth of who our Original God is, His chosen religion (His way of life for us so-called Negroes of America) and unto His enemy as well.

That brings us to the questions of, "who will save us Black men and women that are incarcerated inside and outside of the so-called Beast, as well as "What will save us?" First and foremost, it is said in the Holy Qur'an (8:53), "That Allah never change the grace (the condition) He has bestowed on the people (so-called Negroes) until they first change that

which is in their hearts." From this verse we see that by us imitating the evil ways of our ex-slave masters. Allah (God) places upon our lives conditions. Conditions that may be too painful for us to accept and endure, but it (the above verse) also answers the question of "Who will save the Black man and woman," (both incarcerated in prison and in society). The only one that can save us so-called Negroes in America is Almighty God, Allah, and the true teachings He gave to us through His Last Messenger, the Most Honorable Elijah Muhammad.

Through Allah and His Last Messenger, The Honorable Elijah Muhammad, we can save ourselves by us following these teachings and by us giving up the filthy and evil ways we have been following that have only kept us incarcerated mentally, physically, and spiritually. We need to stop blaming everybody else for our own mistakes and take a look at ourselves because in all due reality, we are the ones to blame. Our enemy has already made known his intentions (Holy Qur'an 7:16, 17) to knock us off of the original path of righteousness in which we (the so-called Negroes) were already on. So, we can not fault the devil (White Race) because they are only doing that which they have promised Allah that they would try to do, destroy us at any cost. And in reality, we (so-called Negroes) are the ones to be blamed, being that we have totally given up the position of being leaders (which is our nature) only to become someone else's followers.

This brings us to the question, "What will save the incarcerated Black man and woman?" It is going to take a new way of thinking to save us all from continuing to come in and out of these prisons (physical, mental, and spiritual prisons). We see that our old ways of thinking and beliefs that were taught to us by the slave master and their children has only caused us grief, torture, disunity, and time. For this new way of thinking needs to be from a righteous Supreme Being, taught to us by one of our very own who He has chosen and sent, not one that is ordained and sent by our open enemies, (the Devilish white race). A new way of thinking that will

place us back on that righteous path which we were knocked off of by our enemy and that will bring back peace, unity, salvation, freedom, justice, and equality into the very hearts, minds, and souls of us so-called Negroes here in America. For each and every one of us American so-called Negroes, that new way of thinking will only come from our acceptance of the true teachings of the Most Honorable Elijah Muhammad that was given to him by Master Fard Muhammad, Allah in Person, to Whom all Praises are due unto.

Now that we can see clearly that our enemies (White race) ways only land us dead or locked up (and to a certain degree both), we need to turn away from them and their evil ways and turn back to our original God, Allah, the Black God of Righteousness, and His chosen way of life (Islam) for us - the so-called Negroes of America!

CHAPTER 3

Part 2: "Who And What Will Save The Incarcerated Black Man And Woman"

In the last chapter (part 1) for those of us that are incarcerated in prison, should be able to clearly see that we are the only one's (basically) that can help change and save ourselves from all of the evil and sinful ways of old, an just how our own Nation of People will look at us and judge us upon our release as well. We also should be able to see that we are in serious need of a new way of thinking to help assist us in shunning these false concepts and ideas that we've picked up on from our open enemies (The White Race).

This bring us to the spiritual meaning of, Who And What Will Save The Incarcerated Black Man And Woman? It is going to take a Supreme Being (One of a Righteous Nature) to help restore us back to where we belong. A Supreme Being that Creates And Destroys. One that Fashions And Molds the deaf, dumb, and blind minds back into it's Original Shape And Form. The Supreme Being of Righteousness that we've (The So-Called Negroes) been torn away from for over 400 years by those whom we now seek spiritual guidance from as well as friendship- The Devil White Race!

For the so-called Negroes of America, (Both those that are incarcerated inside and outside of the Beast, that are still sound asleep to the knowledge of self, of their God, His chosen Religion, and to His enemy) have been taught that God is without a name and continue on, calling Him by the name that their slavemaster taught them to call him by; which is-"God"'. but little do they (the so-called Negroes) know, there is two Gods, One that is Righteous and One that is Evil. So which one will you follow? The Righteous God spoke directly unto Moses and said to him, "I am The Lord, and I appeared to Abraham, Isaac, And Jacob as "God Almighty," but By My Name, Lord, I Did Not Make Myself Known To Them,"(Exodus

6:2,3)

Behold my dear Black Brothers and Sisters, Our enemy (The White Race) knows who we are as well as who our original God is and His actual name, but they will not share this knowledge with you,because they do not want us Black Men and Women that they have incarcerated (Inside of prison and outside in Society) to awaken unto such knowledge knowing that this type of information will not only arouse and awaken us up from this trance that they have applied upon our very minds, but that it will also bring us back into the True Knowledge of Ourselves, of Our Original God, His Chosen Religion, of who they really are (The Devil) and most importantly it is this knowledge that will help keep us so-called Negroes out of these prisons (Physically And Mentally).

My People, for Our Original God, The God Of Righteousness, The God of Every Black Man And Woman On The Planet Earth, proper name is, "Allah" and His Chosen Way of life for Every Black Man And Woman is "Islam", which means, total submission to the will of Allah (God) Think about it, Each and Every Prophet (Messenger) from Noah to him whom was sent unto the so-called Negroes of America, The Hon. Elijah Muhammad, (Whom you will read about in the upcoming chapters) each one of them came with primarily the same Divine Message which was, "To stop worshiping the false Idols, Concepts, and Beliefs that was given to us by the enemy (The Devil) of Allah and to turn to Him, "The Creator Of The Heavens And The Earth, Allah," repenting for going astray and to submit back unto His Divine Will.

We, the so-called Negroes of America, for the past 400 years and some, have been praying to everybody else's God, but not Our Own. It is time for us to return and submit back unto our Original Father, The Black God of Righteousness, "Allah", In The Person of Master Fard Muhammad and unto His Chosen Religion for us, "Islam" or be carried along side of his enemy and ours, "The White Race Of Devils", away into that which He (Allah) has promised them- "The Hell Fire"'.

We, the so-called Negroes, have been taught to believe by the Devil White Race that Christianity is the Religion that will save the very souls of ours, but in all due reality it is the Religion of Christianity which have been keeping us, (still to this very day) "Enslaved," to the concept of a Slave-Master Relationship.

The Religion of Christianity is a Religion that every so-called Negro in America should be well aware of. Why? Because it is a Religion made by the Devil White Man that is designed to deceive all the Nations Of the World By putting Jesus (The Son of Mary) as it's Founder, Author, and Head. It is the exact same Religion that the slave-master(s) used to enslave Our Ancestors into slavery with. Christianity is a Religion that was used by the slave-master(s) to keep the American so-called Negroes under control-under his (The Devils) control, but most importantly it is the Religion of Christianity which was Founded and Organized by the Devil White Race to keep the American so-called Negroes deaf, dumb, and blind being that he (The Devil) knows that we are God's (Allah's) Chosen People.

If it is the White Race of Devil Religion, "Christianity" that will save us from the Hell Fire and redeem our lost souls, the questions that Every Black Man and Woman in this Wilderness called, "North America", should ask Themselves are, "Why didn't this same Religion (Christianity) save us from all of the Killings, Beatings and Rapes that took place in the past and still to do this very day? And, "Why didn't it stop them (The Murderous White Race) whom are offering us this Falsified Religion from killing, Beating, And Raping us?"

Brothers and Sisters (Inside of the Prison and Outside in Society), Please Let Us Stop following Everything besides Our Own original way of Life "Islam." For I Sincerely Pray (Day in and Day out) that you will wake up and reclaim your own and come back home surrendering back unto your Original God, "Allah" and Religion, "Islam this very moment.

We all need to unite under the banner of Islam as taught

by the MOST HONORABLE ELIJAH MUHAMMAD. If anyone wishes to receive more information about the true teaching of the MOST HONORABLE ELIJAH MUHAMMAD and on how to go about writing your required letter and on how to receive your X then write to:

Chapter Four

"Behold, I Will Send You Elijah The Prophet"

In the Holy Qur'an (10:47) Allah tells us, "And for every Nation there is a Messenger." He (Allah) also explains (Holy Qur'an 14:4) that, "We never sent a Messenger except with the language of his folks (people), that he (Allah's Messenger) might make the message clear to them." Being that the so-called Negroes have been robbed of and made unconscious to the supreme knowledge of who our Original God is (Allah) by the devil White race, we have begun to worship everything false and didn't even know it. For this reason alone, Allah (the God of Righteousness) could not chastise us so-called Negroes because of us being made unconscious to the fact that we were deceived by the devil into following his evil ways. Holy Qur'an (6:131): "Allah destroyeth not the township arbitrarily while their people are unconscious of the wrong they do." Holy Qur'an (17:15): "We never punish until we have sent a Messenger."

Never before in the history of America have there come unto us, the so-called Negroes, a Divinely sent Man (Messenger) of God (Allah). A Messenger who would be properly and thoroughly taught by Allah Himself that supreme wisdom and knowledge in which He (the Messenger) is sent to proclaim unto the Lost sheep, Allah's chosen people, the so-called Negroes of America. In the Bible (Malachi 4:5) Allah tells us so-called Negroes in America that, "I (Allah) will send you Elijah the Prophet, before the coming of the great and terrible day of the Lord." This description given to us, of the coming of this great and terrible day, is none other than the end of the white race of devils rule over the Black nation of Righteousness and their (the Devils) judgment as well. But before this great and terrible day comes, the prophet Elijah will plainly convey the Message to us (so-called Negroes) in the language in which we speak (English) as it is written.

Allah confirms this in the Bible (Deuteronomy 18:18,19) by saying that He (Allah) will raise up a prophet from among their brethren (the so-called Negroes in America) like Moses, and that He (Allah) will put His words in his (Elijah's) mouth, and that He shall speak to us all that He commands Him to; that it shall come about that whoever (of us) that will not listen to His (Allah's) words which he (Elijah) shall speak in His (Allah) name, that He (Allah) will require it of him (so-called Negroes). Allah further states that (Holy Qur'an 61:9), "He it is who has sent His Messenger with the guidance and the religion of truth, that He may make it conqueror of all religions, however much that the idolaters may be averse." Also, Holy Qur'an (62:2). "It is He (Allah) who have sent among the unlettered ones (so-called Negroes of America) a Messenger of their own to recite unto them His revelations and to make them grow, and to teach them the Scripture and Wisdom, though that before this, they were indeed in error manifest."

This Prophet which Allah Himself has thoroughly warned us of his coming to save us so-called Negroes, from His wrath, is none other than the Most Honorable Elijah Muhammad. The so-called Negroes in America have never had a Black Messenger sent to us by Allah, Himself, so we may find it kind of hard to believe and digest into our minds. But, in the Holy Qur'an (57:9) Allah declares that, He it is Who sendeth down clear revelations unto His Messenger, that He may bring you forth from darkness unto the light. The Holy Qur'an also states (57:28), 0 you who believe! Be mindful of your duty to Allah and put faith in His Messenger. He will give you twofold of His mercy and will appoint for you a light wherein you shall walk and will forgive you.

There are two good reasons why it is so hard for us so-called Negroes to believe that a Black Man can be chosen and sent by Allah to the deaf, dumb and blind of the righteous Black Nation. One is because the White man has not approved of him, and also because every image that we've seen (from

childhood to adulthood) of prophets, messengers, sages, or apostles have been of White people.

Nonetheless, whosoever of us so-called Negroes of America that do not accept Allah and His Messenger, the Honorable Elijah Muhammad, Allah has prepared a flame for those that disbelieve! (Holy Qur'an 48:13).

Chapter 5

"The Son of Man"

For those of us so-called Negroes that are incarcerated mentally and spiritually (whether in prison or society) we are ordered by Allah (Isaiah 60:1, 2) to, "Arise, Shine; for behold, darkness will cover the earth, and deep darkness the peoples; and His glory will appear upon us."

In this above verse, it states that our (so-called Negroes in America) "light" has come and that "His" glory will appear upon us. We should stop and ask ourselves just who is this light, and why is this light being portrayed as being in the form of a man (His). In the book of Matthew (24:27) it states, "Just as the lightning comes from the east (the religion of most people of the east is Islam) and flashes even to the west (America, land of evil and corruption) so shall the coming of the Son of Man be."

For over 400 years now, we the so-called Negroes in America have been deceived into believing that this Son of Man is a spirit. In the Bible (Luke 21:27) it states, "And when they will see the Son of Man coming in a cloud with power and great glory." This verse contradicts the teachings of Christianity because it tells us that we shall see the Son of Mans coming.

We have also been led to believe that this coming of the Son of Man is the actual Jesus of 2,000 years ago, which is also another false teaching (concept) taught to us so-called Negroes by the devil White race and their false religion, Christianity, because there is no human body that can remain in the ground in its original form and still manage to come back to life after 2,000 years. Nor can flesh and blood enter heaven (1st Corinthians 15:50).

The Honorable Elijah Muhammad has reminded us of the truth, that no one can see and never will see a spirit. He has also warned us so-called Negroes to the reality of this Son of Man being nothing other than a Man.

This Son of Man whom the Messenger of Allah (Honorable Elijah Muhammad) has given us thorough knowledge of and about is none other than Master Fard Muhammad, Allah in Person; the Great Mahdi of the Muslims and the Messiah (Christ) of the Christians that the entire world has been expecting to come for over the last 2,000 years, to Whom all Praises are due forever.

It is the Son of Man (Master Fard Muhammad) that will make all of our (so-called Negroes) old ways that was taught to us by our open enemy (devil White race) new once again!" For with Thee is the fountain of life; In Thy light we (so-called Negroes of America) see Light," (Psalm 36:9).

All Praise be to the Light of Us American so-called Negroes - Master Fard Muhammad, Allah in Person!!

CHAPTER 6

"Whatsoever The Prophet Gives You - Take It"
"Whatsoever the Prophet give you, take it, and Whatsoever He forbids you, refrain from it."

The Honorable Elijah Muhammad (the Messenger of Allah) left behind for us so-called Negroes in America that which Master Fard Muhammad, Allah in Person, to Whom Praises are due forever, taught and instructed him personally to give to us - the "Restricted Laws." In the above verse, Allah plainly tells us to take that which the Honorable Elijah Muhammad shall give us and to shun and stay away from everything that he forbids.

"So keep your duty to Allah, O men of understanding! Now Allah have sent down unto you a reminder, a Messenger reciting unto you the revelations of Allah made plain, that He may bring forth those who believe and do good works from darkness unto light" (Holy Qur'an 65:10, 11). The Messenger of Allah taught us that every civilized Nation of People required laws for the people to live by and to obey, if they wanted to be successful in all walks of life.

The following are the Restricted Laws which the Messenger of Allah left behind for us so-called Negroes of America to obey and follow:

1. Obey Allah, His Apostle, and believe the Message He sent to you and me by His Messenger, The Most Honorable Elijah Muhammad.

2. Being obedient unto the Apostle is being obedient unto Allah; For the Messenger is the bearer of Allah's Message; Respect to the Messenger is respect to Allah.

3. To Worship no God but Allah (The One that the Messenger represents to us so-called Negroes in America) Master Fard Muhammad.

4. To fear no one but Allah.

5. To obey those that are in authority amongst you and non believers in authority over you, as long as it doesn't conflict with your religion.

6. That it is forbidden to commit fornication or adultery.

7. That it is forbidden to commit indecent acts on another (sodomy).

8. That it is forbidden to eat the pig or its by products.

9. To Honor Allah, and respect His Messenger who is the bearer of His Message.

10. Insubordination is forbidden.

11. No slack talking

12. No gossiping

13. Not to lust

14. Not to associate with those in bad standings, or out of the Mosque.

15. That it is ones duty to report all slackness, weakness, and wrong doings.

16. Not to deal with the Hypocrites or show sympathy towards them.

17. No gambling of any kind whatsoever (Numbers, Cards, Dice, Games of Chance).

18. No smoking of any kind of reefers, cigarettes, dope, pipes or cigars.

19. No dope; Heroin, Cocaine, or any other.

20. No drinking wine, beer, whiskey, alcohol, ale or other intoxicants.

21. That we must always remain clean; In mind, body, home, and abroad.

22. No lying; to always speak the truth regardless of circumstances.

23. No stealing.

24. Not to commit any acts of violence on ourselves or on others as well.

25. Love your brother believer as yourself, kill no one whom Allah have not ordered to be killed.

26. Do not feel, rub or pat the sisters. Do not stare at the sister, or watch their body movements.

27. Spend of what Allah has given you in the cause of Islam.

28. Do not allow brothers to fondle you.

29. Do not stare at brothers or watch their body movements.

30. Maintain self control of emotions.

31. Do not talk Temple Business on the telephone or with outsiders.

32. Do not talk F.O.I. affairs outside the F.O.I. meetings with anyone (including wife and family).

If we follow these Restricted Laws that Allah gave to the Messenger, we shall always be successful beyond no reasonable doubt. But, know that if we neglect these laws, or even forsake a few of them, that the Messenger has done his duty which was to only convey the Message plainly to us so-called Negroes in America and that Allah will require it from us in the end, (Bible, Deut. 18:19 and Holy Qur'an 64:12).

The Holy Qur'an also instructed us to stay away from all that in which the Messenger forbids. The Most Honorable Elijah Muhammad warned us constantly, over and over, and forbid us to show friendship to the enemy of the Righteous Black Nation and Allah - "The Devil White Race," and to give up his (Devil) mark (Devils religion - Christianity, names, and evil ways), or to be cast into the Lake of Fire along with them (Holy Qur'an 43:62 and 60:1, 2).

Chapter 7

"All Things Become New"

"Therefore, if any man (Black man or woman) is in Christ (Master Fard Muhammad, Allah in Person, to Whom Praises are due forever) he is a new creature; The old things (ways) passed away, behold new things (ways) have come, (2nd Corinthians 5:17).

The Honorable Elijah Muhammad instructs us (so-called Negroes) that if any of us shall come into the teachings that Master Fard Muhammad (Allah in Person, to Whom all Praises are due forever) taught him, both those of us that are incarcerated in prison and those of us that are incarcerated in the White mans society, that Allah will create (Restore us back into our original selves once again) a new creature and that all of our old ways will pass away.

Every since 1555, we the so-called Negroes of America, have been following and imitating the Devil so much until we find it hard to stop and change, and that is why we're presently or have been incarcerated up until this very day. Not only incarcerated inside of all the Concentration Camps that America calls "The Solution" (in all due reality, they are the the Problems"), but incarcerated in mind as well to the devils false teachings and religion. We must stop being followers and become leaders as we all once were. For every Black man and woman is a born Leader by nature, but we have been taught by our open enemies (White Race) that we are inferior which keeps us so-called Negroes as being followers.

For those of us Black men and women that are incarcerated in prison, if we have accepted our Original God, Allah, and religion, Islam while we were locked up, we must remember the Restricted Laws that was given to us by the Messenger of Allah that we may also live and abide by them as well, because gone are the days of sitting around playing cards and dominos, smoking cigarettes all day long with the fellas

and home girls (slang). Gone are the days of calling one another degrading names (nicknames, Niggas, Fools, dog, etc.). Gone are the days of looking at the filthy Playboy and Playgirl Magazines. Gone are the days of vain talk about what we've had and done in the past (which has only gotten us locked up).

For we must change our inner and outer selves. The way we talk, act, dress, look, and most importantly, the way we think - being that we are new creatures (Beings). Our every thought should be of the new, as well as our every word. And being that we are in a sinful environment (prison), know that it can be done only if we want it to be done; And remember that nothing in this world or life comes easy!

Chapter 8

"Eating The correct Foods and Its Importance"

"O you who believe! Eat of the good things wherein We have provided you and render thanks to Allah if it is indeed He, Whom you worship." (Holy Qur'an 2:172)

The Honorable Elijah Muhammad stated that, "The main purpose of this teaching - How To Eat to Live - is to prolong our lives," and he also stated that, "It is what we eat that keeps us here and what we eat that takes us away" (How To Eat To Live Book 1, pgs. 102 and 114). It is very important that we follow the eating laws that Allah gave to the Messenger to convey unto us so-called Negroes (How To Eat To Live Book 1 and 2, by the Messenger) because these laws not only helps us feel better physically, mentally, and spiritually, but they also give us more life as well as a beautiful appearance.

In prison, a devout follower of Islam will adapt to a very strict diet due to the inadequate supply of lawful food that is made available to him/her, but one can look at this as being in training. For example, training ourselves in prison to eat the right foods at the right time (even though it is harder in prison being that the supply of lawful foods are scarce) prepares us for our Exodus from prison back into society to where we will be exposed to more of a variety of filthy and poisonous types of meats and foods.

We need to be aware of what we are putting inside of our stomachs, especially pork and its by products. I have heard a lot of my people say statements like, "Well, I was raised on pork," or "My Grandmother is 85 years old and she still eats pork and she hasn't died yet." Note, the key word in the sentence is "yet."

Statistics that are given to us today by doctors says that pork causes high blood pressure (Hypertension) for the Black male and female and that it is hazardous to our health, and that Blacks have the highest rate of High Blood Pressure

(which causes strokes and heart attacks) here in America. So why do we continue eating this deadly animal (pig) and its flesh? Because it has become a family tradition which was passed down to us from our ancestors that was given to them by those whom still to this day seek to destroy us at any cost, "the Devil White race."

The importance of eating the correct foods can also be looked at in a spiritual aspect as well. How? By obeying Allah's Commandments! In the Bible (Deut. 14:2,3,8) Allah plainly tells us so-called Negroes of America that we are a Holy people to Himself, and that He has chosen us to be a people for His own possession out of all the people who are on the face of the earth. And, that we should not eat any detestable things, and even though the pig divides the hoof but does not eat the cud, that it (pig) is still unclean for us to eat. Needless to say, to even eat its flesh or touch its carcass.

The Honorable Elijah Muhammad tells us that Allah says, "Thou Shall Not Do." but that Allah's enemy (White race of Devils) says that, "Thou can do." The Holy Qur'an confirms this by stating, "Eat of that which is lawful and wholesome in the earth and follow not the footsteps of the devil (White Race), surely he is an open enemy for you .

So tell me, which one will you obey and follow, Allah or the Devil?

Furthermore, we need to also be well aware of the unclean foods that we store up in our minds, because it is this type of food that not only destroys the way we think, but it also is this type of food (unclean and unlawful) that can also give us life or grant us death (mentally). Think about it...

Chapter 9

"The Concept of Becoming A Muslim While Incarcerated

"And whomsoever it is Allah's Will to guide. He expandeth His heart unto Islam" (Holy Quran 6:125). If there are any Black men or women that are incarcerated whom have thoroughly read this book up until this very chapter, and have seriously analyzed the things that they have been reading (the Truth) as well as how they've lived their life (before coming to prison and before reading this book), and what they believed in spiritually as well, and see that they sincerely need a change in every aspect of life, and have decided to (or already have) reclaimed that infinite light (Islam, the religion of every Black man and woman by nature), then give all due praises to Master Fard Muhammad (Allah in Person to Whom all praises are due forever), the Finder, and Life giver to us so-called Negroes of America, and strive now for righteousness and success in the cause of Allah (Holy Qur'an 61: 10, 11).

Being that we are living inside of this corrupted Beast with all sorts of different people amongst us, by us reclaiming our Original way of life, "Islam," and becoming Muslims (once again), we tend to hear comments like, "he/she ain't no real Muslim," or, "Why did you wait to come to jail/prison to become a Muslim, you wasn't no Muslim in the world."

Even some of our families neglect us even more now because of us coming out of the darkness (false religions and beliefs taught to us by the Devil White race) back into the Supreme Light, Islam. However, if we were a Christian and someone asked our family in society, "Oh, how is John Doe doing?", they would normally respond, "Oh, he's doing fine, just fine." But when we become a Muslim, their reply now is, "Oh, he/she is gone crazy, he/she has become one of those terrorist kind of people." These are just a few concepts of how people perceive you when you become a Muslim while you're

incarcerated, but always bear in mind that Disbelievers who are still in the darkness have always tried to put out the Everlasting light of Allah, but cannot because this Light is perfected by Allah Himself (Holy Qur'an 5:3).

In the Bible (Isaiah 59:15) Allah tells us that, "He who turns aside from evil makes himself a prey."

A prey not only to the Devil himself, but a prey to those that are still under his (Devils) rule. Nevertheless Allah warns us in the Holy Qur'an not to let this kind of grievous talk bother our souls, but to always be aware of our duty unto Him. He (Allah) also gives us a prayer to help us ward off the Hunter (Devil) in our Holy Book, the Holy Qur'an, 60:5.

The late Malcolm X once said, that he'd put prison second to college for a place where a man can go to think, because if that man is sincere and is motivated with determination, that man in prison can change his life completely. Being that we were too busy to following the lusts of our hearts and the ways of the devil White Race, we did not have time to think in a righteous form of mind, and like I explain to a lot of my brothers and sisters that are incarcerated, that we have to start somewhere, and that starting somewhere is a lot better than not starting at all! Because one can only become successful by trying.

Chapter 10

"Education and Its Importance"

The enemy of the Black man and woman in America (the Devilish White race) is not afraid of those of us that are Modern Day gangbangers, or us drug dealers, or even those of us that have been ordained and licensed by them to preach (the way that the enemy has instructed you to teach) the Bible to our own people. Why? Because all of the above is killing off our Nation of People here in this wilderness called America in one form or another.

What they (the Enemy) are afraid of is an educated Black man and Black woman who not only know who they really are (the Original people of the planet earth), who their Original God is (Allah), and their Original way of life is (Islam), but that they also know the truth of their enemy as well. Why? Because it is these same educated Black men and women who can awaken the mentally dead of their Nation and expose the truth of their open enemy to them and unto the rest of the Darker nations of the world who just may be in the depths of darkness too. For it is this Educated Black man and woman that the enemy (White race) seeks to destroy first.

In the Holy Qur'an (96:1-5) Allah shows the Black man and woman the most important way that we (once again) can become educated back into the Supreme Knowledge of self, Him (Allah), His chosen way of life for us (Islam), and into the knowledge of His enemy and ours - the Devil White race. It reads, "Read in the Name of Thy Lord who created. Created man (White man) from a clot. Read: and Thy Lord is the most Bounteous who taught by the pen, taught man that which he knew not." For it is by reading that we exercise our minds, and it is by reading that we get out of the state of ignorance that we have been led into.

If every Black man and woman in America begin to read that in which the Messenger (Honorable Elijah Muhammad)

left behind for us to study and read (His books as well as the Holy Qur'an and Bible), we will not only educate ourselves back into Supreme Knowledge of ourselves, of our true God (Allah), His chosen religion for us so-called Negroes in America (Islam) and His enemy (White race), but we will also begin to teach our own people and children that which they just may be ignorant of, "The Truth."

The Honorable Elijah Muhammad told us so-called Negroes that if we go out and get these Masters degrees, Bachelor degrees, etc., from these higher schools of thought that we need to use these degrees to benefit self and kind, and not the enemy.

We also need to be aware of the warning that the Messenger gave us about the "Falling of America," because not only is the death rate on the rise, but unemployment as well. As for those of us that society has forgotten about, those of us brothers and sisters that are incarcerated inside of these Concentration Camps called prisons, we need to be well aware of the reality of and fact that it will be even harder for us to find any decent employment being that we have a serious strike against us already - a Criminal history record.

So, one may ask his or herself, "Well, how can this education help me then when I'm released?" By each and every incarcerated so-called American Negro, using their time, wisely and effectively to educate themselves, they can come out of these prisons and become an employer instead of someone's employee. How? By obtaining knowledge, because knowledge is power! Knowledge Produces! Knowledge is the know-how and when any Black man or woman comes into the Supreme Knowledge of knowing themselves and how to become successful (in a legal manner) then that a Black man or woman will be successful. As for us Black men and women that are incarcerated, by us using the knowledge that we may have learned (if made available to us) from trades or from educational courses that

we have taken while being incarcerated, one can apply that same knowledge and produce a job upon release for themselves and their own kind. The thought that may have crossed our minds now is that even with such education and skills, it takes money to start up a business; so how do we get the money? Brothers and sisters, I'm not saying not to go out into society and work on someones job when you are released, because you just may have to do so in order to achieve your goal. But, what I am saying is that if you have to do so, just remember to stay focused on that which you have learned and strive to make that goal and dream become reality instead of a mere thought or idea.

We must learn how to become producers as we once were and not consumers (how we've been taught to become)and the only way to do so is by educating ourselves. It is our education that will be the passport into the future for us so-called Negroes in America. And, being that we are the architects of today, it is our education that will pave the way for our children of tomorrow.

My fellow brothers and sisters, as I've mentioned earlier in this book, every Black man and woman are born leaders, but as long as we remain in that mentally dead frame of mind, we will always be someone else's employee and follower, instead of employers and leaders as we once were.

Chapter 11

"Being Tested While Incarcerated"

"Do men imagine that they will be left alone because they say, We Believe, and then not be tested with affliction? Surely, we tested those who were before you. Thus Allah knoweth those that are true and those that are false." (Holy Qur'an 29:2.3)

When a Black man or Black woman becomes a Muslim while incarcerated, people in society, such as our family members or friends or even people of our nation, tend to have these inaccurate concepts that they are the only ones that are being tested by Allah with hardships and adversities to test their faith, and that those of us that are incarcerated (whom have become or already is a Muslim) are not. But seemingly they are forgetting one thing - believers are everywhere and that wherever there is a believer, there is a test of faith being given by Almighty Allah.

In the above verse (quoted from the Holy Qur'an) Allah explains that He will test us to see if we are true or whether we are false. Those of us that are incarcerated must be mindful of the fact that we are to be tested in a lot of different aspects of life while we are incarcerated by the enemy of the righteous Black Nation, "The Devil," (Holy Qur'an 7:16,17) to get us off of the path of righteousness. "And let not Satan turn you aside. Surely! he is an open enemy to you, (Holy Qur'an 43:62).

While incarcerated, we shall hear a lot of grievous talk by disbelievers of and about our chosen way of life (Islam) that was chosen for us so-called Negroes by Allah Himself. "Assuredly you will be tried in your property and in your persons, and you will hear much wrong from those who were given the Scripture before you, and from idolaters" (Holy Qur'an 3:186). But just as a student must pass to the next grade (level) in school, then so do we (those of us that believe) have to pass

Allah's tests in order for us to go on to the next level.

"Be sure that we shall test you with something of fear and hunger, some loss in good or the fruits of your toils" (Holy Qur'an 2:155).

In prison, the variety of food is a test for those of us that are believers (Muslims) being that the foods that are lawful for us to eat is very scarce. During the month of Ramadan, you may be tested by receiving little or no help at all by the Administration Department because of your religious beliefs (Islam), but we as Muslims are to always remain dutiful to Allah under all circumstances, by all and any means necessary. "And those who keep their oath when they make one, and the patient in tribulation and adversity and time of stress. Such are they who are sincere. Such are the God fearing." (Holy Qur'an 2:177).

While incarcerated, you (the Muslims) may be at or sent to an institution (prison) where Islam is not yet established. And being that lslam is very disliked in prison, you may be tested by Allah to see whether or not you will strive to establish lslam.

Nevertheless, just as there are believers everywhere regardless of whether they're in society or in prison, always bear in mind My dear Black sisters and brothers (in prison and society) that wherever there is a believer (Muslim), regardless of where he or she may be, there is a test that is being administered by the Creator of the Righteous Black Nation, "Allah", to Whom Praises are due forever.

Chapter 12

"Prayer and Its Importance"

"And your Lord have said, "Pray unto Me and I will hear your prayer." (Holy Qur'an 40:60) "Therefore, O Believer, pray unto Allah, making religion pure for Him only." (Holy Qur'an 40:14)

The Messenger of Allah (Honorable Elijah Muhammad) in his book, "Message to the Black Man," (pg. 136) asked us so-called Negroes, "What is so important that would keep us away from prayer to the Originator of the Heavens and the Earth being that it is these five prayers of the day that are spiritual refreshments that will leave no filthiness inside or out?" For those of us so-called Negroes that are incarcerated, that are Muslims, being that there is a lot of different things that can distract us from making these Five mandatory prayers at their punctual time, we must be mindful of the fact that it is our duty to Allah that we Perform these prayers at their appointed times, because it is our prayers that cleanses our minds, hearts, souls, and thoughts of all evils and that it is our prayers that we will be held accountable for and called to account by Almighty Allah Himself.

The Honorable Elijah Muhammad also stated that prayer is something that we so-called Negroes must and are compelled to do if we expect guidance and mercy from Allah and that if we expect to be successful we must bow in submission to the Divine Will of Master Fard Muhammad, Allah in Person, who is worthy to be praised and praised much (Message to the Black Man, pgs. 146, 147).

Being that we, the so-called Negroes of America, have been praying to these mysterious Gods and their so-called offspring's for over 400 years now, which was given to us by our open enemies (the Devilish White race), we have committed a sinful act against our Original God, Allah, the Black God of Righteousness, and for this act we must pray to

Him asking for His forgiveness. Thanks to the Messenger of Allah, it is by His divine wisdom and Supreme Knowledge that Allah has blessed him to have of the Holy Qur'an and the Bible as well, that showed us the true interpretation of King Solomon's request, which was for us so-called Negroes in America to pray towards our own land (so-called Africa) and towards the Holy City (Mecca) which Allah Himself has chosen (2nd Chronicles 6:36-39).

"And he whose sight is dim to remembrance of the Beneficent, We assign unto him a devil who becometh his friend, And surely! they surely turn them from the way of Allah, and yet they think that they are rightly guided" (Holy Qur'an 43:36, 37).

My dear Black brothers and sisters that are incarcerated, as I've mentioned earlier in this chapter, there are a lot of things as we already know that can distract us from our prayers and from the remembrance of Allah, but note that if we (so-called Negroes of America) turn away from Allah, His Messenger (the Honorable Elijah Muhammad), and our prayers, that the devil has become our friend.

Therefore, keep up with your prayers so that you can become successful in all walks of life regardless of where you may be. And always be mindful of your duty to Almighty Allah!

Chapter 13

"How To Convert Those That Are Still Lost and Confused"

In prison one will see a lot of brothers or sisters going around one minute preaching the word of Allah (God) and then the next minute they are indulging in homosexual activities, drugs or vain conversations based on what they use to have and what they've done on the streets. These are the people that are only fooling themselves.

A lot of brothers and sisters in prison study the word of Allah (God) only as a way to pass time, something to pass away their time while they are incarcerated. And these same Black brothers and sisters try to convert others but succeed not. Why? Because as it is written in the Bible, they are trying to drink of the cup of the Lord and of the cup of the devil in which cannot be done (1st Corinthians 10:21).

A brother once asked me, "How do you convert those that are still lost and confused?" My reply was, "if you want to convert a lost and confused soul (brother or sister), you do not convert them by your religious beliefs alone, you convert them by living your religious beliefs, because it is not mere lip service which converts and inspires them, it is your words, actions, and deeds that converts them.

When a Black man or woman becomes a Muslim while they are incarcerated, people that are of the darkness (disbelievers) will try to argue with you day in and day out about whose beliefs are the truth and whose are false. But, those of us that are Muslims must always remember that, "None argue concerning the revelations of Allah except those who disbelieve" (Holy Qur'an 40:4). And to shun foolish controversies and genealogies and strife and disputes about the Law, for they are unprofitable and worthless, (Bible Titus 3:9). "And call unto the way of the Lord with wisdom and fair exhortation and reason with them (Disbelievers) in the better

way" (Holy Qur'an 16:125).

The better way is by living that which Master Fard Muhammad, Allah in Person, to Whom all Praises are due forever, taught and instructed the Honorable Elijah Muhammad to teach us so-called Negroes in America, Islam. To live it in our every words, actions, and deeds and by doing so, regardless of where we may be or the situation we may be in, it is our light that will lead those that are still lost and confused out of darkness.

"He (Allah) it is who have sent His Messenger (Honorable Elijah Muhammad) with guidance and the religion of truth (Islam), that He may make it conqueror over all religions, however much idolaters may be averse." (Holy Qur'an 61:9) Nevertheless, my Black brothers and sisters, always bear in mind that truth (regardless of what and where) always overcomes falsehood.

Chapter 14

"Failure is Not Permanent"

For the incarcerated Black male and female in Americas prison systems, it is this so-called system (which is run and operated by the White man) that tries to implant within our minds that we are failures for life; misfits and even outcasts. It is this same society and system that declares that failure is permanent for every Black man and woman in America. For it is this same society that told us that the world itself was flat and that Christopher Columbus discovered that which the Indians had already discovered, "America."

My people, failure is only permanent for those of us that allow it to be. Failure is only permanent if a person believes that it is. Failure, my brothers and sisters, is only permanent for us that do not strive for success.

Allah tells us so-called Negroes in the Holy Qur'an that we will only be rewarded for that which we strive for (20:15). If we strive for success, it is success in which we will be rewarded with. But, if we strive to become or remain to be a failure, then that is what we shall be rewarded with. There is one thing about success - it has no limitations or boundaries. Success can be obtained anywhere, including in prison. Success is just like the wind, it's everywhere, but if one doesn't seek it, one will never find it.

White America tries to condition our minds in their courtrooms by labeling every Black man and woman as being "a menace to society and a threat to the Black communities" because of us following their evil ways. They try to get us to believe that just because if we (the Black male or female) go to prison, get released, and then return again or even for a third go-round, that this person has no hope left in them to become an honest productive individual. But in all due reality it is all a part of the Conspiracy to destroy the Black male and female by them (Devil) making it harder on a released convict by

limiting them to certain low income jobs, if even that. They are the ones that are in control over this so-called Justice system which his a major impact on employment. For example, on every employment application there is the question, "Have you been convicted of a felony within the last five years or have you ever been to prison?" This is why we need to educate ourselves so that we can become employers instead of employees. It is an education that produces, but it is the lack of an education, my brothers, my sisters, that keeps us in a failure position.

White America wants us (Black men and women) to remain ignorant to the truth because as long as we remain deaf, dumb, blind, and in a Failure state of mind, they Figure that it is us that assures them a lifetime job and retirement plan. Not only for themselves, but for their children as well.

.My people, NEVER give the enemy (Devilish White race) the glory or victory by fulfilling the perception that they have about you, but always remember that with the teachings of Master Fard Muhammad, Allah in Person, to Whom all Praises are due forever and His Messenger, The Honorable Elijah Muhammad, we will always be successful in every aspect of life, no matter how much they may be averse to it. Victory cometh only from Allah, the Mighty, the Wise.' (Holy Qur'an 3:126).

Nevertheless, if a Black man or woman can think it (becoming successful), then that Black man or woman can become!

Chapter 15

"The Reality"

In the glorious Holy Qur'an (Surah 69) Allah gives us a thorough description of what the Reality is in a spiritual aspect of life, but for those of us that are incarcerated in the Belly of the Beast (prison) shall I convey unto you in the natural sense, "What the reality is?"The reality is that we (Black men and women) are incarcerated facing whatever time White America's so-called courts of justice have racially implied upon us all. The reality is that these laws (White mans laws) are designed to keep us black men and women hidden away from society for a long, long time so that when we are finally released, we're too old to have children to keep our nation alive. The reality is that White America keeps us locked up for so long that even to a certain degree our own families tend to forget about us. The reality is that we are the only ones that can help ourselves from continuing to come back and forth, in and out of these prisons that are designed to destroy us. The reality is that we need to be true to ourselves, to Allah, and to His chosen way of life for us so-called Negroes in America, Islam.

As I've mentioned earlier in this book, White America is ever so busy building these new prisons by the hundreds, believing that we are less than a human being, failures for life, and that we will be the future occupants of their newly built prisons. They believe that we are the ones that will assure them of their retirement plan. Not only a retirement plan for them and their children, but a life long job, as well.

This is why they are making it so hard for us in prison as well as when we are released. This is the Reality!

We (so-called Negroes) must not forget that in the Holy Qur'an (7:16,17). the Devil says that he will lay in ambush waiting for us (every member of the Righteous Black Nation) to make a mistake, and that he will attack us from any and

every angle that he can in order to destroy us (as an individual, as well as a whole). America has designed these laws totally against every Black man and woman. In Americas court system there is no such thing as freedom, justice, and equality for a Black man or woman. Nor under their flag (the red, white, and blue). They design these laws to keep the Black families disunited.

White America has totally neglected their philosophy which stated "Innocent until proven guilty," but they have adopted the philosophy of "guilty until proven innocent." Their concept of innocent until proven guilty is for them and their own kind (White people) and guilty until proven innocent is for us so-called Negroes of America.

The enemy (Devilish White race) of the Righteous Black Nation house us in these concentration camps and deceives the public by labeling them "Federal or State Correctional Institutions." The word correctional means to correct, but it is correction that these institutions do very little of, if not at all. We should be well aware after 400 years of how the enemy tries to deceive us by labeling something with false titles to not only deceive us and all of the other Nations of the world, but to lead us all into hell along with them. A good example of how White people try to label something that really isn't what the people may think is the religion of Christianity, which is leading a lot of us so-called Negroes straight to hell.

These State and Federal so-called Correctional Institutions are only designed to punish a person not to rehabilitate them, which only makes a person more bitter to society and at themselves as well. And, this is all a part of the conspiracy that the devil White race has planned so that these same bitter Black men and women (that they have made) won't go back into society to even try to do what is right which will only lead them back into prison to secure white America and her children a life long job.

This is why we (so-called Negroes in America that are incarcerated in these concentration camps called prisons) must

educate ourselves in every aspect of life and follow Master Fard Muhammad, Allah in Person, to Whom all praises are due forever, so that we won't come back into these prisons that are helping destroy us Black men and women in America.

Being that righteousness is not in their nature (the Devilish White race). we so-called Negroes cannot expect for them that intentionally stripped us by force out of the Supreme Knowledge of self, God, and our Original Religion, to educate us back into this Divine Knowledge and Wisdom. They want us to remain mentally dead to the reality of what they are trying to do to us so-called Negroes of America which is annihilate us all off of that which belongs to us, The Planet Earth! And this is a reality!

Chapter 16

"The Problem and Its Solution"

"O you who believe! Take not as your friends those outside of your religion (Pagans, Jews, Christians, and hypocrites), since they WILL NOT fail to do their best to corrupt you. They desire to harm you severely. Hatred has already appeared from their mouths, but what their breasts conceal is far worse. We have made plain to you the **ayat** if you understand. Surely! You are the ones who love them but they love you not! (Holy Qur'an 3:118, 119).

"O you who believe! Choose not My enemy and your enemy for friends. Do you give them friendship when they disbelieve in the truth which have come unto you, driving out the Messenger and you, because you believe in Allah, your Lord? If you have come forth to strive in My way and seeking My good pleasure (show them no friendship). Do you show friendship unto them in secret, when I am best aware of what you hide and what you proclaim? And whosoever do so among you, he verily have strayed from the right way.

If they have the upper hand of you they will be your enemies, and will stretch out their hands and their tongues towards you with evil intent, and they long for you to disbelieve." (Holy Qur'an 60:1, 2).

As I've mentioned before, every Black Man and Woman are Muslims by birth and nature, and are adherents to Allah's chosen religion, Islam, being that we (so-called Negroes of America) are His chosen people. Allah tells and thoroughly warns us so-called Negroes of America not to make friends with no one outside of our way of life (White people, pagans, Jews, hypocrites, Christians, etc.), being that they seek to corrupt us as an individual and as a whole. He (Allah) also tells us that hatred has already appeared from their very mouths and that their breasts conceal far, far worse. Also, that by us (so-called Negroes of America) being Muslims by

nature and by birth, that they disbelieve and try to drive us out of the land. But, He (Allah) concludes by stating that for those of us so-called Negroes of America that have come forth to strive in His way (Islam) seeking His pleasures (blessings) to show the enemies no friendship none whatsoever, being that they only seek to lead us back into ignorance and the darkness.

We the so-called Negroes of America have been following those that say, "Thou can do," instead of our Original God, Allah, who states that, "Thou shall not do," and this reason alone is the problem for us so-called Negroes here in America.

When we were brought here to America, we were sold off to different slave masters resulting in our original families being torn apart, And, up until this very day, even though we've been granted our freedom (physically), we are still tearing ourselves apart from our own kind (because of us following the evil ways of others) here in America. Particularly apart from those of us black men and women that are incarcerated inside of the Belly of the Beast. Allah warns us so-called Negroes, over and over in the Holy Qur'an not to make friends with no one other than our own, because they (the enemies of the Righteous Black Nation) desire to keep us all asleep and separated from one another in every aspect of life.

Our enemies already know that Islam unites Black men and women and that Islam is every Black Man and Woman's (in this wilderness called North America) original way of life (religion), but they (the enemy) don't want us so-called Negroes of America to unite or to even help ourselves and our own kind, or to even help those of us black men and women that are incarcerated. Why? Because they only want us to continue on being dependent upon them! They have already made known with their mouths that they are totally against each of us Black Men and Women in America by calling us Niggers, savages, soulless beings, and making mockery of our religion that Allah has chosen for us. But, a lot of us so-called

Negroes are so in love with them that we will accept everything that they call us and do to us, our families, and to our Nation of People, and still will want to be their friends. By us showing friendship to them (White people, Jews, Christians, Pagans, hypocrites, etc.) they will use our stupidity and ignorance against us by giving in return their so-called friendship, only to deceive us so-called Negroes into doing as they themselves have been doing all the days of their lives - wrong and everything other than the commandments of Almighty Allah. By us showing friendship to them they condition our minds, and our families minds out in society to forget about ourselves and our own kind so that we will not trust one another, and so that we will distance ourselves away from each other. Believe it or not, it has happened and still is happening to this very day!

By us so-called Negroes following everybody else and their evil and false ways of life, and not our own way of life (religion), Islam, we have only helped to create the problem by straying away from the right path and away from the commandments of our Original God, Allah, but the solution is a very simple one. The solution is a Divine one. The solution is that each and every Black man and woman here in the Wilderness of North America should renounce everyone else's way of life and to just be themselves (Muslims) and turn back unto our Original Father and unto our Original way of life, Allah and Islam.

Every so-called Negro of America must unite under the Crescent and Star under any and all circumstances, regardless of our situation if we want unity, peace, salvation, freedom, justice, and equality, once again. For those of us that have a Black family member or friend that is presently incarcerated in prison, stay in contact with that person and offer him or her your support, which is very much needed. Encourage that person to do what is right. Encourage that person to seek Allah and their Original way of life, Islam, which will give that person life once again. Never give up on them, but always give

them your support, love, and encouragement which will give them hope to continue on. Let us stop doing and being everything that everyone else wants us to do and be. Let us just be what Allah have created us to be - Muslims, and His Chosen People!

My dear brothers and sisters, being that we helped create this on going problem we are the only ones that will be able to solve it. Let us stop being the problem and become the solution to the problem. And, with the help and teachings of Master Fard Muhammad, Allah in Person, to Whom praises are due forever, and His Divine Messenger, The Honorable Elijah Muhammad, we so-called Negroes of America will be successful, by all and any means necessary, no matter how much the enemies of Allah and of the Righteous Black Nation may be averse to it!

Allah plainly tells us so-called Negroes that if the enemies of the Righteous Black Nation ever gets the upper hand on us that they will be our personal enemy, and after 400 years of killing, raping, kidnaping, torture, theft, beatings, lying, and free labor, if we so-called Negroes of America haven't learned our lesson from showing friendship towards Allah's enemies and ours, then we need to be killed, raped, kidnaped, tortured, robbed, beat, lied to, and worked for free by the hands of the enemies of the Righteous Black Nation, because Allah, the Black God of Righteous, has already told us and warned us all of the consequences if we do so.

MESSAGE TO THE BLACK FAMILIES IN SOCIETY.....

Chapter 17

"Birth Control (Prison - Another Form of It)"

When a person hears the words.. "birth control," that person tends to think of a woman taking some sort of pill or shot, or even a man using a form of contraceptive. But, it's all doing the same thing, stunting the growth of a nation of people.

When a person hears the words, "birth control," that person tends to automatically think about sex, but being that the White race of devils are so evil, wicked, and cunning, they have discovered another form of birth control that they have come to use on us so-called Negroes of America which doesn't consist of a pill, shot, or other contraceptives. This new from of birth control, which is on the rise and that is also stunting the growth of the Righteous Black Nation of People of the Planet Earth, is called Prison.

Ever since the Black man and woman stepped foot on the shores of North America, we not only have been enslaved (physically and mentally), we have also been incarcerated and put on trial ever since day one of our arrival as well. Ever since our arrival, we American so-called Negroes have been in prison mentally, physically, and spiritually.

A person may ask himself, "How is prison another form of birth control?" The answer to that question is a very simple one. In the Holy Qur'an (Sura 7, verses 16 & 17) the devil tells Allah that he will lay in ambush awaiting to attack each and every so-called Negro of America, and that he (devil) will come upon us at all angles using more than one trick to seduce and destroy us all!

Once again, when a person thinks about the usage of birth control, one tends to think about the stunting of growth of a particular nation of people.

White America (with the intentions of annihilating us so-called Negroes off of the planet earth) has designed her so-

called Laws of Justice and Equality totally against us so-called Negroes by giving us the most time out of all nationalities, even if we commit the exact same crime(s). In their court, we so-called Negroes have to prove our innocence beyond a reasonable doubt being that we are Black and that we are considered to be guilty until proven innocent.

If a Black man is 25 years old and commits a simple crime, the White race of devils sentences that Black man to 40 or 50 calendar years, and sends him to prison. By them (White race of devils) locking up the seed (Black Man) for so long, they know that by the time the Black Man finally regains his so-called freedom, he is too old to produce a child. And this reason alone is why prison in the sight of the devilish White race has become their number one method of legal form of birth control aimed to be used on each and every Black man in America.

The White race of devils have noticed that we Black men have been educating our Black Women into the true knowledge of the White race and their tricks to stunt our nations growth by offering them death (birth control) in the form of a pill, or shot, which is a part of their plot to kill, steal, and destroy us all off of the planet earth. Therefore, the cunning White race of devils have transferred their usage of birth control away from our Black Women and have begun using it on us Black Men in America by sending us off to these concentration Camps called prisons for a long, long period of time, with the intentions of keeping us away from our precious Black Women so that we will not be able to produce another Black Child that may be a leader of our Nation of People, or a lawyer, doctor, or even a scientist.

Nevertheless, each and every one of us American so-called Negroes (especially we men) should never forget that according to the Bible, the White race of devils are a kind of people whom always seeks to kill, steal, and destroy. Ever since our arrival, it is these three things which they (Devil white race) have done and still are doing to each and every one of us, especially by sending one of our own off to prison.

Chapter 18

"Be You Not As Those Who Separated And Disputed"

"And be you not as those who separated and disputed after the clear proofs had come unto them. For such there is an awful doom." (Holy Qur'an 3:105)

"And He whose sight is dim to the remembrance of the Beneficent, We assign unto Him a devil who becometh his friend. And surely, they surely turn them from the way of Allah, and yet they think that they are rightly guided." (Holy Qur'an 53:36, 37)

In the above verses, Allah warns us so-called Negroes of America not to be as those who separated and disputed (White people, Christians, Jews, Hypocrites, etc.) after the clear proofs (revelations) had come unto them and that if we do follow their false and evil ways, His (Allah's) painful doom will come upon us.

It is the very nature of White people to be rebellious to the truth, Liars, wicked, evil, disobedient to the will of Allah, separated from their own kind, and always disputing and arguing with each other. The Honorable Elijah Muhammad has taught us so-called Negroes of America that they cannot help it, being that Yacub made them like that. "He who separates Himself seeks his own desire(s). " (Proverbs 18: 1)

We, American so-called Negroes, want to be so much like our open enemies (White people) until we follow and imitate their evil nature and filthy habits; Being that we are so busy following their filthy and evil ways, trying to capture the American Dream (so-called house in the city, three new cars, a thirty thousand dollar bank account, etc.) that we tend to forget about the things which we were robbed of, such as the knowledge of ourselves, of our God, Allah, of His religion, Islam, and out of the unity we once shared. This tends to make those of us so-called Negroes in society forget about

those of us Black Men and Women that are incarcerated in these concentration camps called prisons.

As I have mentioned before, when we so-called American Negroes were brought here to the shores of North America, our families were sold off to different slave masters which resulted in the breaking up of our Original biological families. But even that did not tear the Black Man and Woman apart because it is our nature to remain in a unified manner, even if we're in the company of another black family; it is our nature to look after one another regardless of who may not like it. For it is our nature to submit to the Will of Allah and to His Divine Commandments as well. But, since we came in contact with the devil himself (entire White race) we have been blinded and made to believe that what we worship (their three Gods rolled up into one) and the things that we do (going to clubs, drinking, smoking, committing fornication, dressing almost naked, etc.) are so right, but in all due reality they are not!

To the family members of an incarcerated Black Man or woman, your love and support to that person whom have been locked away from society means an awful lot. Not only does it mean a lot to that Black Man or Woman, but it means a lot to Allah, because it is unity that Allah desires for us so-called Negroes of America. Needless to say, it is the devil White race that desires to keep us all separated from one another, and arguing with one another so that we will never unite!

Regardless of what that Black Man or Woman has been found guilty of in the eyesight of the devil inside of their court rooms, which is a hanging ground for the Black Man and Woman in America, support that Black Man or Woman and encourage them to become what Allah Himself wants him or her to become their original selves once again. As for the friend of an incarcerated Black Man or Woman, it is a sincere friend that will honor ones friendship and let nothing come between it, <u>not even time.</u>

Nevertheless, just remember to be you not as those who separated and disputed because it is unity which every Black

Man and Woman should desire for their Nation. But, it is the devilish White race that seeks to kill, steal, and destroy us all at any given cost. And, no matter how much (for those of us whom desires to be their friend) you want to be their life long friends, and no matter how many Ph.D.'s, or Masters degrees, or Bachelor degrees that you may have to try to impress them with, no matter what, you are still considered a nigger in the eyesight of the devil!

Chapter 19

"Unity And Its Importance"

In the book of Ecclesiastics (Bible) chapter 3, verse 1, it states that, "There is an appointed time for everything."

Being that we are living in the actual Days of Judgment of those whom we so-called Negroes try so very hard to become friends with, the devilish White race, the need for unity amongst each and every Asiatic Black Man and Woman here in North America is very critical.

Also, in the book of Ecclesiastics (Bible) chapter 3, verse 7, states that, "There is a time to tear apart, and a time to sew together."

It is the very nature of the devil (White people), as the Honorable Elijah Muhammad told us so-called Negroes, to keep hatred, envy, malice, jealousy, and enmity within every nation of people including their own, but especially amongst us so-called Negroes being that they know that we are Allah's chosen people.

The White race of devils also know that because of the harsh injustice and the cruel and unusual punishment that they have inflicted upon each and every one of us so-called Negroes of America throughout the duration of time, that they are doomed to the promised wrath of Almighty Allah. Just like Pharaoh and his army was for the injustice they did against the ancient Israelites. And, by them knowing that a lot of us are ignorant to reality and unto the truth, and that we are deaf, dumb, and blind to the reality of just who we are and who they really are, they desire to take as many of us so-called Negroes along with them to their promised doom - Hell!

The time for every so-called Negro in America to unite is at hand. We so-called Negroes must unite or receive the due punishment that shall come upon those (that Allah Himself has promised) whom have separated after clear proof had come unto them.

For those of us Black Men and Women that are presently incarcerated in prison that are Muslims, it is our obligation to help pull our fellow Black brothers and sisters together and help bring them up out of the darkness in which we've all come out of ourselves. We must not give up on them, being that Master Fard Muhammad (to Whom praises are due forever) did not give up on us.

Jesus stated that He "did not come to heal those that were already well, but those that were sick." This is the exact same attitude that we need to adapt to as well. Meaning we need not to help those of our nation that are already unified with us, but it is those that are in division that need our assistance.

As for those of us Black Men and Women in America that are in society that have adopted this so-called "out of sight, out of mind" type of attitude, which only destroys us as an individual and also as a Nation of People, not only do we need to totally renounce this type of thinking, we need to save ourselves and our Nation of People by uniting with our fellow Black brothers and Black sisters that are also in society with us, and with those of us that are in prison which have become totally forgotten about. However, needless to say, Prophet Jesus stated that, "it is the stone (so-called Negro) that the builders rejected (forgot about), but in the end that forgotten and rejected stone became the chief (the most needed) cornerstone of them all.

In the book of Psalms (Bible), chapter 133, verse 1 states, "Behold, how good and how pleasant it is for brothers to dwell together in unity."

We so-called Negroes of America must refrain from uniting with and loving everybody, else other than our own. We must all come together in unity and peace or die in division and hatred as our open enemy, the devilish White race, intends for us all to do.

Ever since we American so-called Negroes have been here in this wilderness called North America, there has been an ongoing conspiracy to totally destroy us as a collective whole. Ever since we have come in contact with the White race of devils they have always kept us torn apart from our families and away from one another, but just as it is written in the Bible, "Just as there is a time to tear apart, there is also a time to sew back together again."

My dear Black brothers and sisters, that time to sew together (become united once again) is now, and only a fool would not want to unite with his or her own kind and escape the wrath of Allah, which is promised to those of us American so-called Negroes who separate ourselves from one another seeking personal desires only (Proverb 18: 1) after we have been thoroughly warned. And remember, "united we shall always stand, but divided we (as a Nation of People) shall fall, and that according to the Holy Qur'an (Sura 103) the only way we so-called Negroes can endure time and the tests we are in is by joining together (uniting) in the mutual teachings of Truth, Patience, and constancy!

And, as the Honorable Elijah Muhammad put in his book Our Saviour Has Arrived, (pgs. 141-143), "it is Allah's chosen religion, Islam, that will unite all black men and women here in the wilderness of North America, therefore, join on to your own Nation of Islam today before it's too late to do so...

As-Salaam Alaikum, My dear Brothers and Sisters,

MESSAGE TO THE INCARCERATED BLACKMAN & WOMAN

by

Kevin X (Baker)

What the Muslims Want:

#5. We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all Black Men and women now under death sentence in innumerable prisons in the North as well as the South.

We want every Black man and woman to have the freedom to accept or reject being separated from the slave masters children and establish a land of their own.

We know that the above plan for the solution of the Black and white conflict is the best and only answer to the problem between two people.
